FOREWORD

This is *The Clairian* of the Class of 1932. We offer it as a record of growth and achievement. May it stand as a fitting tribute to our Alma Mater for her bounty to us. If, in after years, when hopes of the future have given way to reveries of the past, this *Clairian* shall bring back to us the faces of old friends, the little sorrows and the larger joys of those happy school days, our labors have not been fruitless, and we have realized our ambition.

THE CLAIRIAN

ANGELINE F. ADAMCHICK

A sweet little maid, Angeline,
And as popular as "Sweet Adeline."

Angeline is a very intelligent student, bent on getting A's. Her popularity and capability named her the manager of the girls' basketball team. We knew Spring was here because one day she appeared with shorn locks. Her new avocation is class prophet.

JEANNETTE MARY ALESSI

Sometimes her teacher she may vex,
But never the members of the opposite sex.

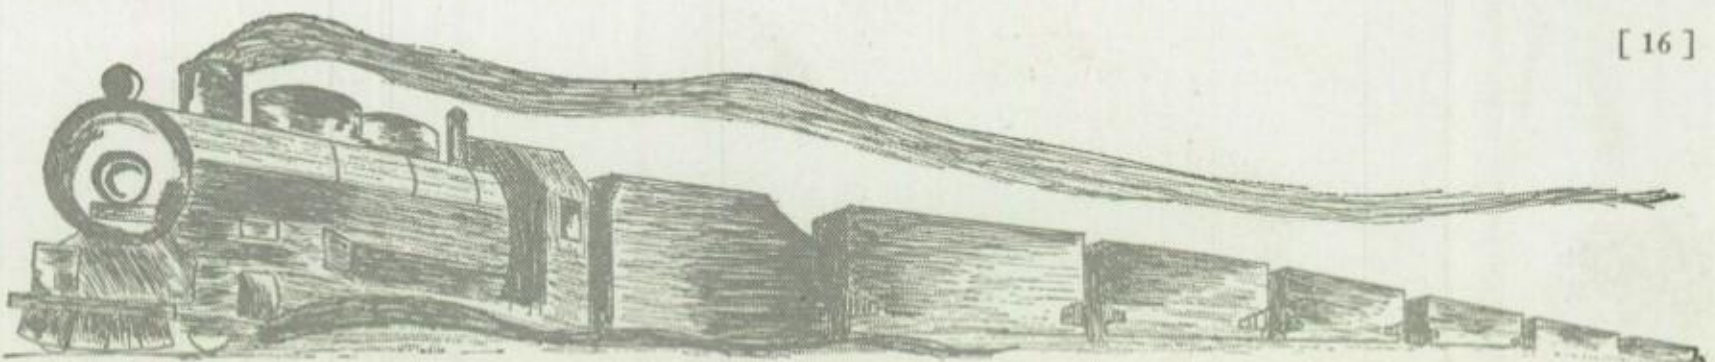

Those dark expressive eyes! She certainly has been using them in studying (?) boys. How often have we heard her say about this or that boy, "isn't he adorable? I think he's marvelous." We hope Jeanette's dream of captivating the heart of some Apollo will be realized in the near future.

LEONARD DANIEL BALSIS—"HECKER"

Be careful, everybody—"Hecker" likes to speed;
Without his motorcycle, he'd be lost, indeed.

Leonard was on the football team as center, and he was also on the Booster Staff. He is usually in a hurry. "Hecker" is ready to laugh at anything and everything, forever placing tacks on seats, then looking innocent.

THE CLAIRIAN

VERNA ELIZABETH BOSAK

The helping hand in need
Is found in Verna, indeed.

Verna comes from New Castle. She is the best looking girl there. Her calm blue eyes, lovely complexion and her raven hair, combined with her serene disposition, make her a favorite among all.

FLORENCE ELVIRA BOSCHE

A quiet miss, pretty, too,
Thorough in all she decides to do.

Florence is one of the pretty girls in our class. Beneath her demureness, lies a jolly good nature. She has never taken an active part in school activities, but what girl can when her attention is centered on a particular young man. We won't go into detail, Florence!

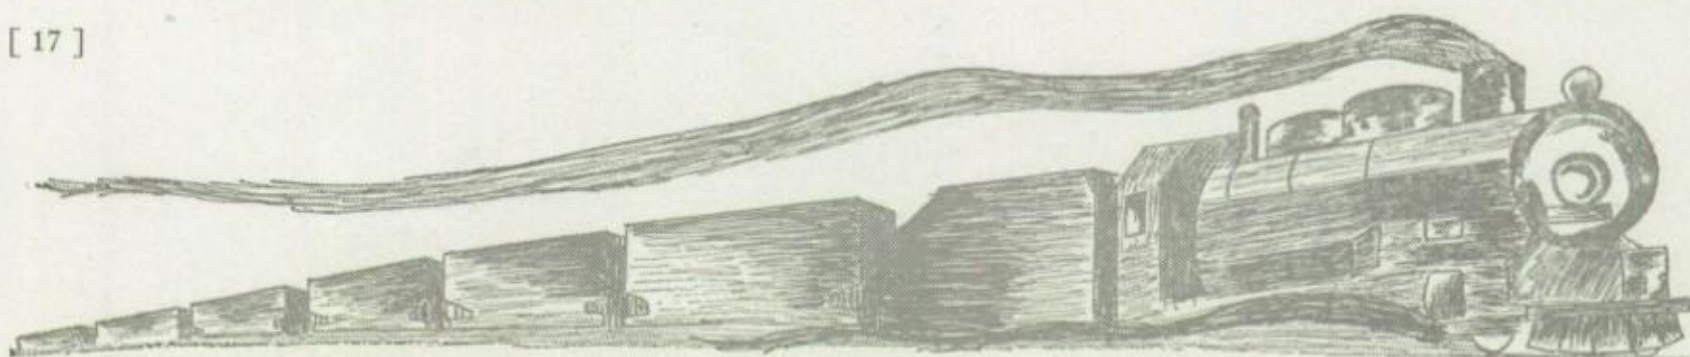

May you be happy and successful.

MARGARET M. BRADY

A willing heart, a helping hand,
Always ready on demand.

Here is our representative from East Mines. We have always known her to be pleasant and generous. Boys claim her attention to a slight degree. The class of '32 takes this opportunity to wish you success in life.

THE CLAIRIAN

GERTRUDE BRENNAN — "GERT"

Gertrude is kind and true,
With a smile that's never "blue."

Gertrude likes to argue. But we notice that she never lacks a fine sense of humor. She has a keen interest in almost every sport and finds time to enjoy a great number of them. Her popularity can be shown by the fact that she was class president for two successive years.

JOSEPH BRENNAN — "MIKE"

Although Joe's a quiet lad, he's lots of fun,
And he is really liked by everyone.

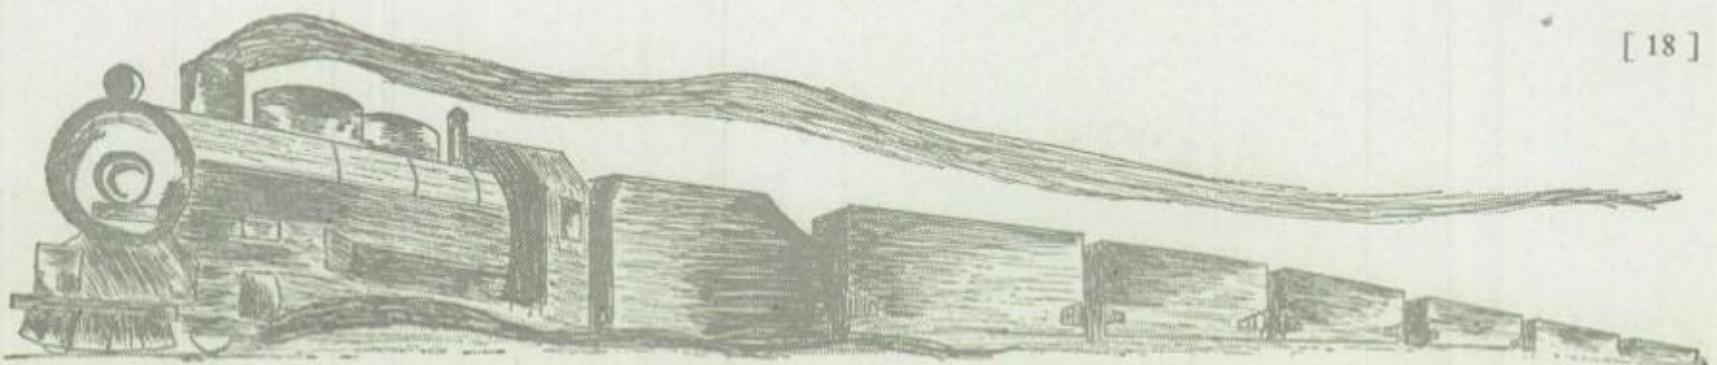

"Joe" is the nicest looking blonde boy in our class. Once in awhile a funny saying is a surprise. When it comes from him; especially in shorthand class. He is very reticent about his future and it's dangerous to guess, but the fact that he leaves the girls alone must be a clue.

REBECCA CARL — "BECKY"

For very great silence, she surpasses,
The tomb (in Ancient History classes).

We have the pleasure of presenting the least talked about girl in our class. This is because of her reticence. At times we have been hardly aware of her presence in class. We wish you much happiness in your chosen profession of nursing.

THE CLAIRIAN

HARRY A. CHYLACK—"CHILO"

He's short and snappy,
And, oh, so happy!

Harry was the captain of our football team during his Senior year. He won this position by his pep. He is always telling jokes. Bluffing in English class is his specialty, but he doesn't get away with it. He will be remembered by his—"Come on, team, get in the ol' fight!"

NESTOR CHYLOCK

He is a man of dreams
When he is a captain of teams.

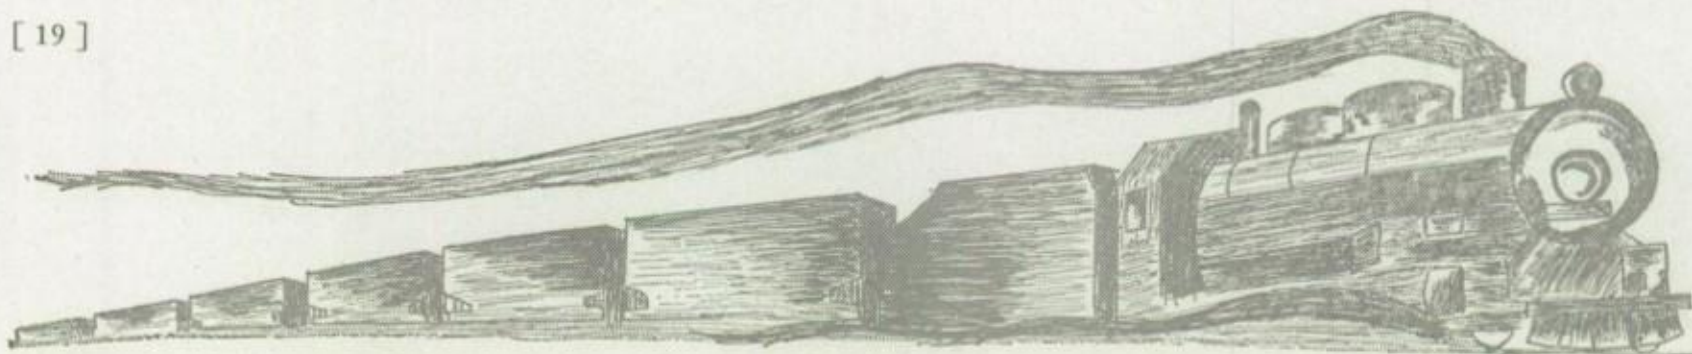

Alas, the captain of the basketball team. He has often said, "Let's take the afternoon off," and this makes us believe, he is fond of the opposite sex and movies.

ELIZABETH CLIFFORD

"Silence is golden," so they say,
Betty proves this in every way.

"Betty" is one of the more self-controlled of the fair sex. Betty is very seldom heard, but yet you know that silence has its merits. We are sure that "Betty" has many good traits that most of us are not aware. Nevertheless, in whatever path you may travel, it may be safely said, she will prove herself worthy of any task she undertakes.

THE CLAIRIAN

ELIZABETH CLOCKER

One who never makes a fuss,
She is very dear to us.

Elizabeth is active in everything and always can be relied upon when any help is needed. She is the "petite" type of girl. We are sure that she must have someone who admires her. Although she has many talents, her claim to fame is her music. She possesses a beautiful voice and is a very fine pianist.

EDWARD J. CORCORAN — "EDDIE"

May I eat, sleep and be merry
For tomorrow I may flunk!

"Eddie" is of the happy-go-lucky type and has for his motto, "What's the use of worrying when you get there just the same." His favorite occupation is star-gazing, so we wish him much success in the field of astronomy.

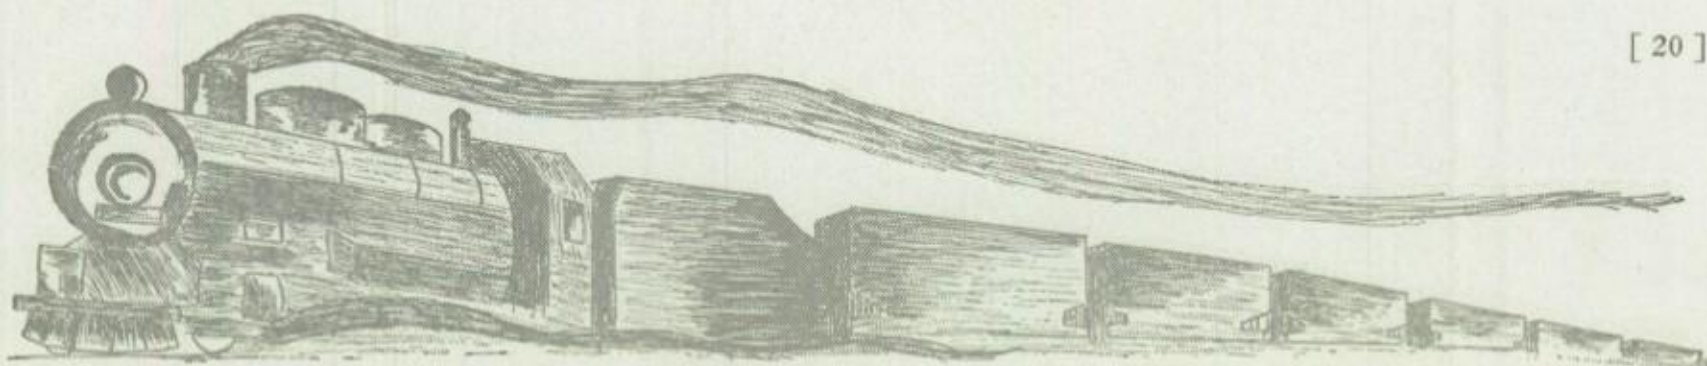

JOHN S. CURILLA — "JOHNNIE"

Chick and sporty,
Flirt like forty.

Johnnie's love for dates has been shown
And can be proved by the girls he has known.

Here we have "Johnnie" all summer up; a friendly nature, with a voice that thrills the heart of every female. As an actor, his only rival is Eddie Cantor as was shown by his talent displayed in Crocodile Island and Pickles. The class of '32 wish him success in the musical field.

THE CLAIRIAN

PAUL A. DANIELS — "BEBE"

Paul, a lanky youth of our class,
Has a ready smile for every lass.

Paul is our representative from far away, Mount Laf-fee (Wadesville). His ways of expressing his thoughts, especially in English and French, have been both amusing and entertaining to the class. He is a brilliant mathematician and we wish him much success and happiness in this work.

DOROTHY E. DELKER — "Dot"

"Dot's" favorite pastime is fixing her hair,
And with such pretty curls, isn't it fair?

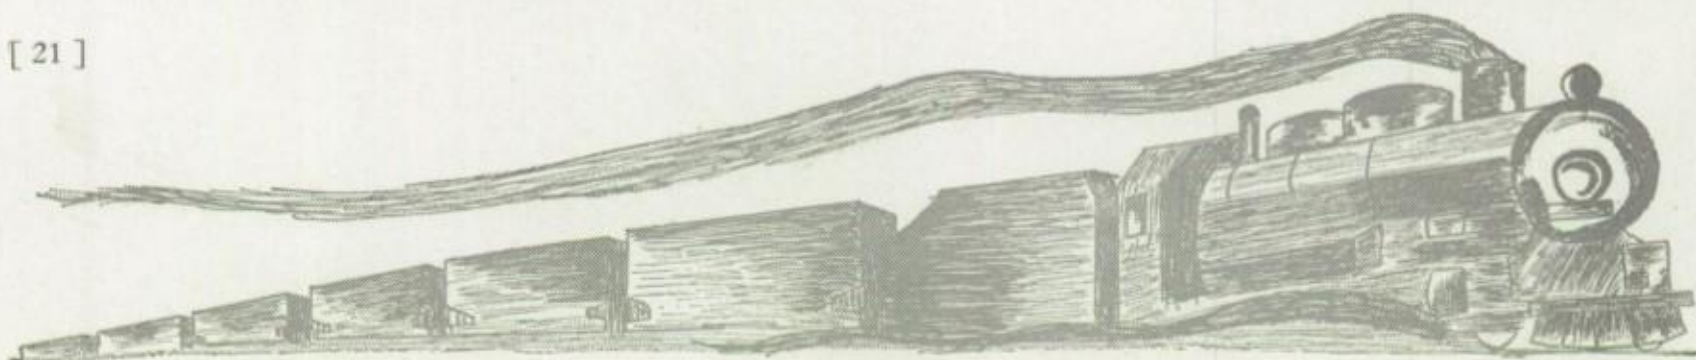

Dorothy is one of the prettiest Senior girls. She is the fastest girl on our basketball team, having played side center for four years. She wears clothes well and looks good in everything. "Dot" likes them tall and dark and, incidentally, good looking.

LORETTA DEDELAITES

To be a nurse, a new experience, Miss,
But life to her is one long bliss.

This sad looking countenance is not at all representative of our Loretta. We have always known her as a smiling and jolly classmate. She delights in friendly argumentation besides being a great talker, both in school and on street corners. The fact that she is an honor student, makes it unnecessary for us to tell you of her scholastic ability. Her ambition is to become a nurse and we hope her aim will be realized.

THE CLAIRIAN

JOSEPHINE M. DiLISIO — "Jo"

Even though "Jo" is a little short,
Everyone knows she's a very good sport.

Josephine likes to write funny things. She seems to be on her way to become a successful author, for we always enjoy her articles in the Booster. Although she is short, she has enough pep to make three of her.

CHARLES J. DRESCH — "HANDSOME"

We know whom Charlie likes, indeed we ought,
For it is none other than sweet little "Dot."

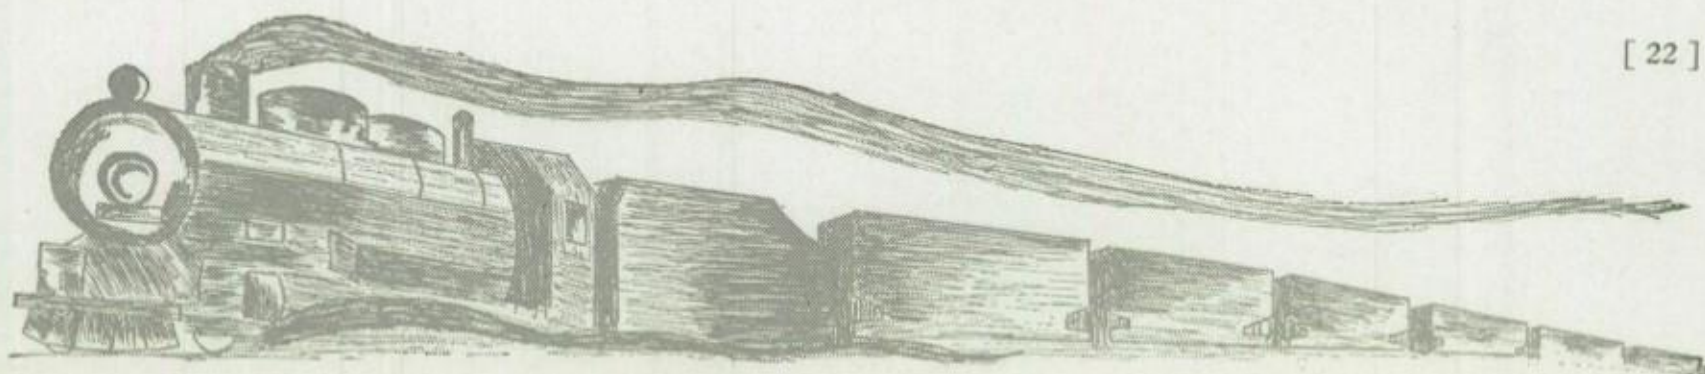

"Handsome" is the future cinema actor of our class. He has been an outstanding figure both in basketball and football. We can truly say that he is a great favorite with all the girls. The class of '32 extends to you its felicitations for a bright and happy future.

JULIA DUDISH

She's gentle and genial; slow and sure.

Here is the silent partner of our class. Even though she has always lived within herself, we have found her to possess the qualities of a true friend. She is sincere, a good listener and a dependable student. Because of her optimism, she is bound to succeed in whatever she may undertake.

THE CLAIRIAN

EMILY ANN EVANS

Thirty-two gladly claims her name,
For, as a pianist, she is gaining fame.

Emily, one of our popular class members, is of a quiet disposition, studious and an enthusiast in all school activities. Her digital dexterity at the piano has proclaimed her to be a most talented pianist. Emily is going to continue her musical education and we know she will vie with Paderewski.

JAMES H. EVANS — "JIMMIE"

God bless the man who invented sleep;
Tears of happiness for him shall I weep.

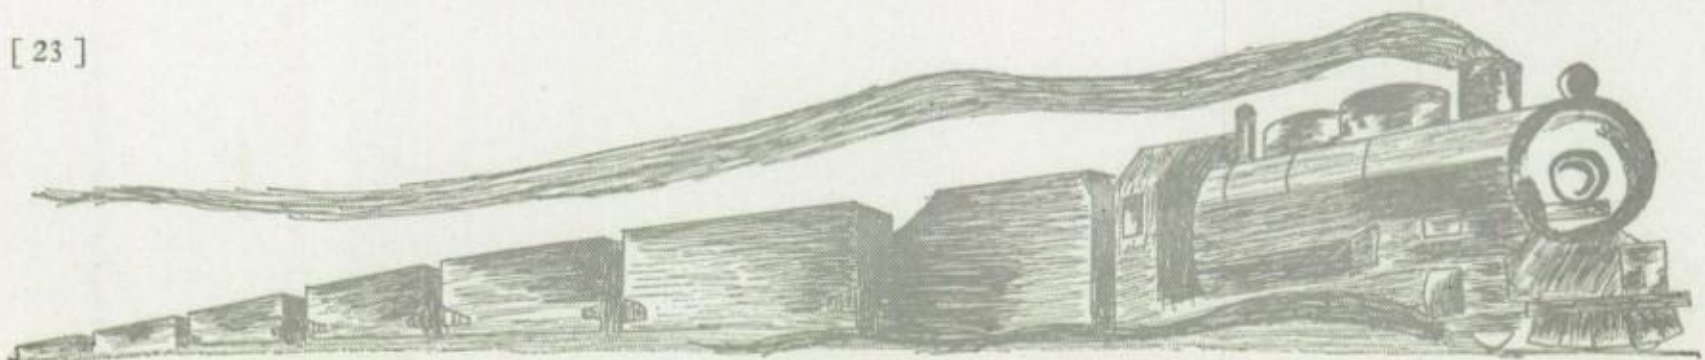

Evidently "Jimmie" loves his bed more than school for he is one of our regular tardy students. He is always well dressed and his baby face may account for his being the cynosure of the fair sex, especially "Billy."

WILLIAM FOSTER

"Billie" is a backward boy; he is also very shy;
But when it comes to studies, we find him very sly.

It isn't very often we find a high school boy who is so backward. William, however, claims this honor. You will never find him in the center of a group, but usually on the outside where he can observe without being seen. To those who have really learned to know him, he is a friend who is hard to beat. He is a boy who is greatly admired both by males and females.

THE CLAIRIAN

HARRY FRANTZ

Harry Frantz is quiet; he never makes a noise,
But finds a lot of pleasure in joking with the boys.

Harry usually conveys the idea that he is quiet, yet during these times of silence he is doubtless thinking up some joke or other. Girls have no attraction for this young man, and as a result he spends a great deal of time in reading sport magazines and witnessing many sports events.

JULIA FRANK

A shining light, who's very bright,
A girl who's sure to reach the height.

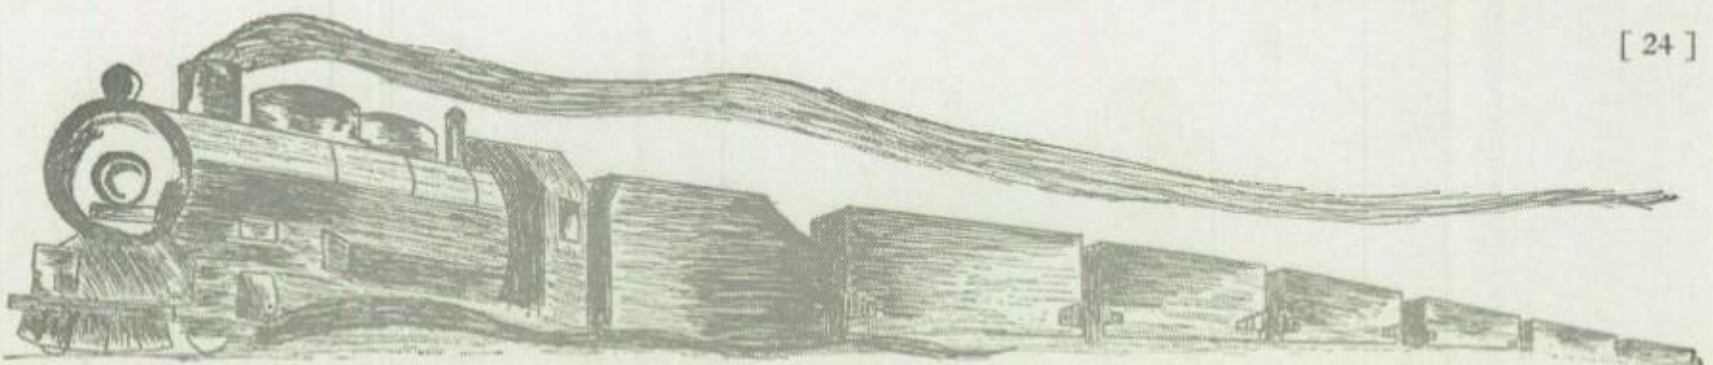

This quiet lady has an even temper of serenity, which always makes her an agreeable companion. Her determination, generosity and sympathetic understanding added to her ability as a student, have won for her the high esteem of the class.

EDWARD B. FILANOSKIE —“FILI”

Here is a friend good and true,
A pal and sport clear through.

“Eddie” takes the medal where innocence is concerned. He is so shy and quiet but even then he has difficulty in keeping the girls at a distance. In classes, he is a very diligent, attentive and studious boy. We wish you much success in your future undertakings.

THE CLAIRIAN

EDWARD GEHRING — "EDDIE"

"Pack up your troubles in your old kit-bag,
And smile, smile, smile."

"Eddie" is always happy whether he is driving his famous "Lincoln," portraying Miles Standish, or flunking Chemistry. He enjoys sports and played "snapper-back" the last two years. "Eddie" is religiously inclined and expects to enter the Ministry. Here's luck to you.

MARTHA M. GRAY

Whate'er life shall send,
We'll love you to the end.

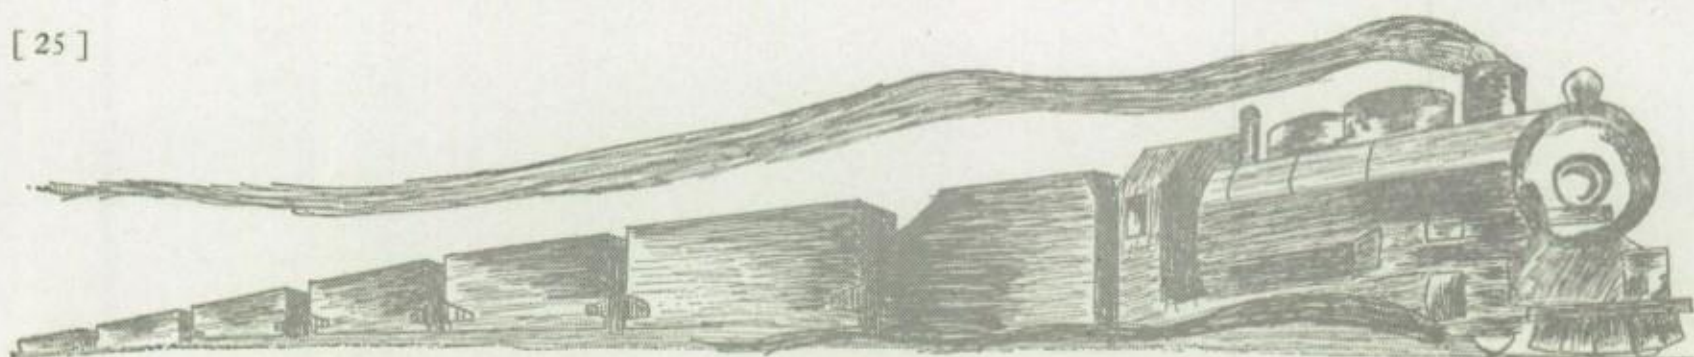

Such a serious and innocent expression. Can it be Martha? Be not mistaken, for she is a fun-loving young lady always ready for a good time. She is our outstanding vocalist, and has taken part in all our operettas. Besides, she is a loyal student. May your life be filled with success and happiness.

ELIZABETH B. HALYCHIK

"When night has set her silver lamp on high,
Then is the time for study."

If you wish to observe a good example of studiousness seek out Elizabeth. She is generally always diligently searching for a puzzling Latin verb or wrestling with a French lesson. Elizabeth is a sociable girl, too, and seems popular with everyone. She's our salutatorian. Her chief avocation is drawing funny faces.

THE CLAIRIAN

ROBERT HEINBACH

He has a lean and hungry look,
Perhaps it's caused by some textbook.

Here's the man of mystery—he's sometimes very docile and then again he likes to argue. He likes to read and is well versed on all questions. "Bob" has a brilliant career before him.

EMMA HOPKINSON HIRST

A jolly smile has she
That shows wherever she may be.

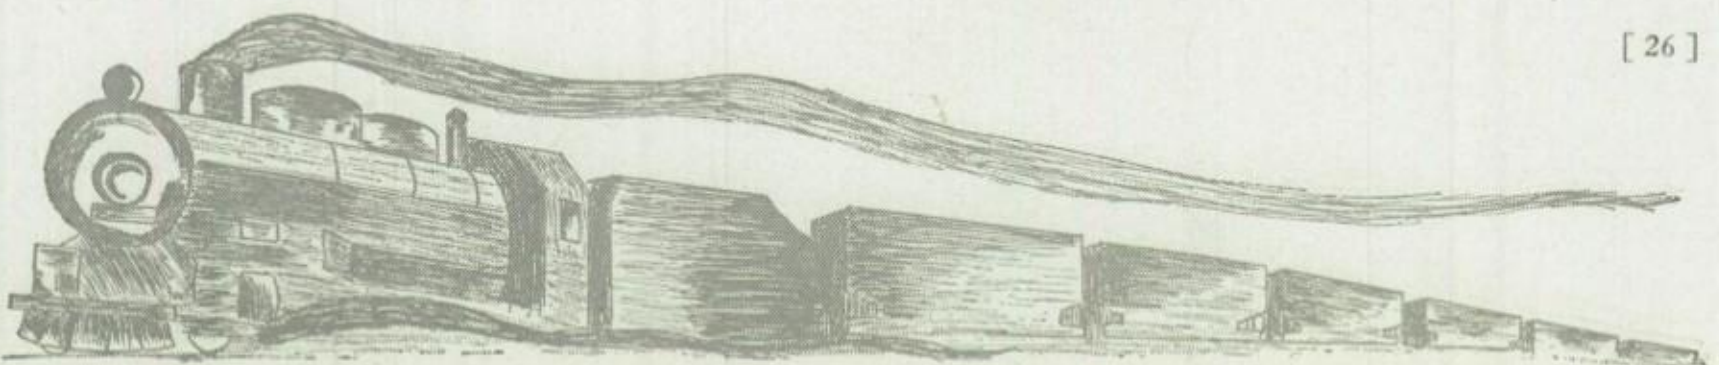

Emma is everywhere at once. As a result of looking after everybody, everybody gets the habit of looking after her. She always has a sunny smile and enjoys jokes. She makes friends easily and can hold them. She is fond of Philadelphia. If you don't know why, ask her.

EDWARD CLAIRE HONICKER

"Oh, sleep, it is a gentle thing,
Beloved from pole to pole."

"Fuzz" indeed is fond of sleep and it is not an uncommon thing to see him stretched out "dozing off." He is the type of fellow that will never die from excitement. Nevertheless, "Cap" is a faithful friend and a regular chap, beloved by everyone.

THE CLAIRIAN

VERA T. IMMEKEPPEL—"WERA"

Vera's sunny smile is her chief attraction,
Another smile in return is its reaction.

Although Vera lives in Mill Creek, it doesn't keep her from the social activities in Saint Clair. She is popular with Blythe, and is center on the basketball team. Her bright, dark eyes make her smile very attractive.

MARGARET JONES

A better sport is hard to find,
There's always fun when she's around.

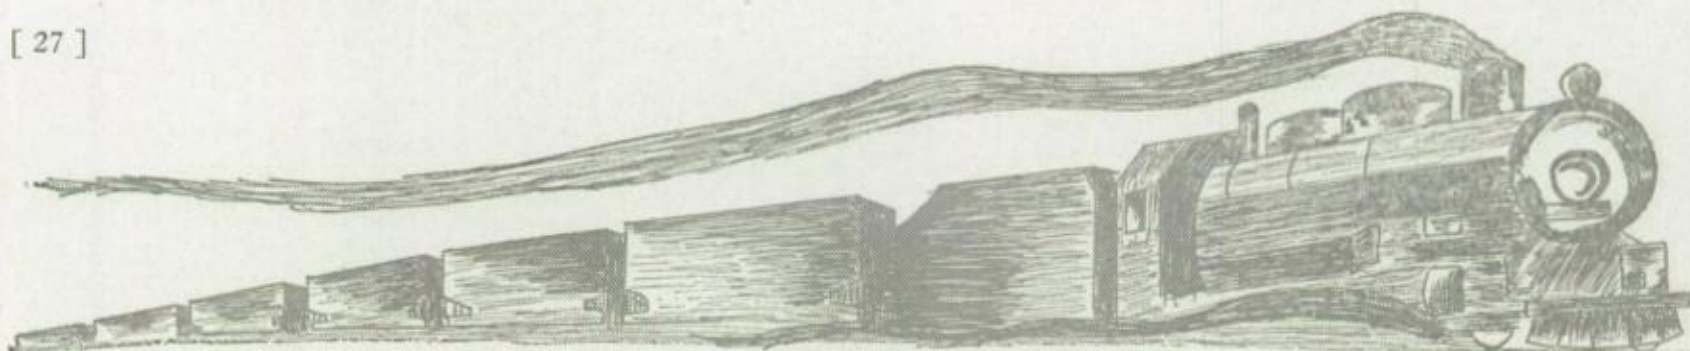

"Cheval" is about the best natured girl in the class. Even when Tom Quigley is teasing her in Chemistry class, she can smile. She is a member of the Schuster Clique, and once in a while she takes trips to Frackville for her health.

ROBERT KREBS

Sincere and gay, always discreet;
Gentleman ever, from head down to feet.

"Bob" is a real Floyd Gibbons, in fact, we believe someday he'll take his place. He is very active and courteous and more than that he shows a dependable willingness to help. He made a hit as a policeman in Yokohoma Maid.

THE CLAIRIAN

HELEN KOSLOSKY

A lass who is worthy of happy years,
She's hard to discourage and never in tears.

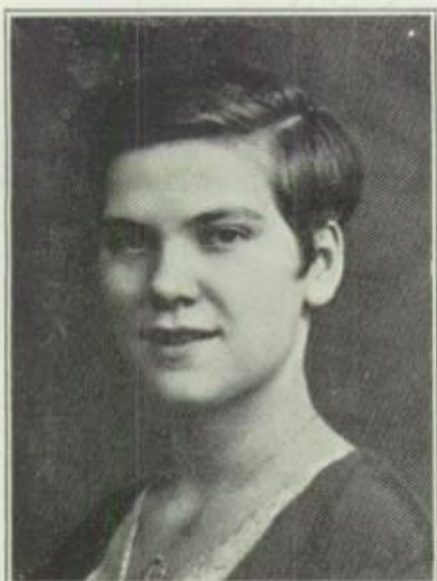

Helen is a very friendly girl and full of fun. She is generous and though quiet at times, she is not shy. She is fond of traveling.

ANNA KANEZO — "ANN"

Sweet peas—high sunset—white clouds—curly locks,
A bungalow behind a row of hollyhocks.

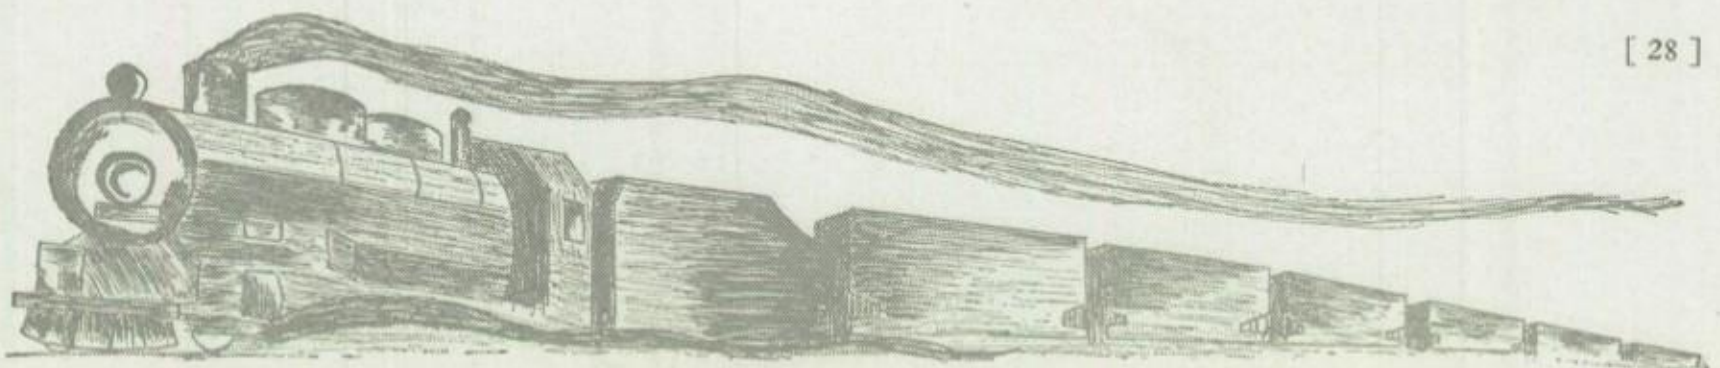

Anna is one of our quiet girls. We usually find, however, that the girls who talk the least are found to possess the greatest amount of ability. Aviation has made a very favorable impression on Anna and she hopes that someday she will pilot a plane of her own.

EMILY MAY KOVITCH

She talks to everyone she knows,
And is happy-go-lucky wherever she goes.

Emily is a great talker but she doesn't always mean what she says. She has a claim on the tardy championship, too. She has a failure for wishes—no, she isn't spoiled, but she usually gets what she wants. She has proved to be an excellent ticket seller. To know her is to understand her.

THE CLAIRIAN

JAMES LISHMAN

A shy little boy is he
And as quiet as one can be.

My, but isn't he quiet? "Jim," is a blonde and beyond that we know nothing. Although he is very quiet he has a friendly smile for all. Perseverance has made him successful. He likes to play games and often asks, "Are you finished?"

ANNA MAE McDONALD

"Sticks of peppermint candy—
Peter Pan in a leafy forest—"

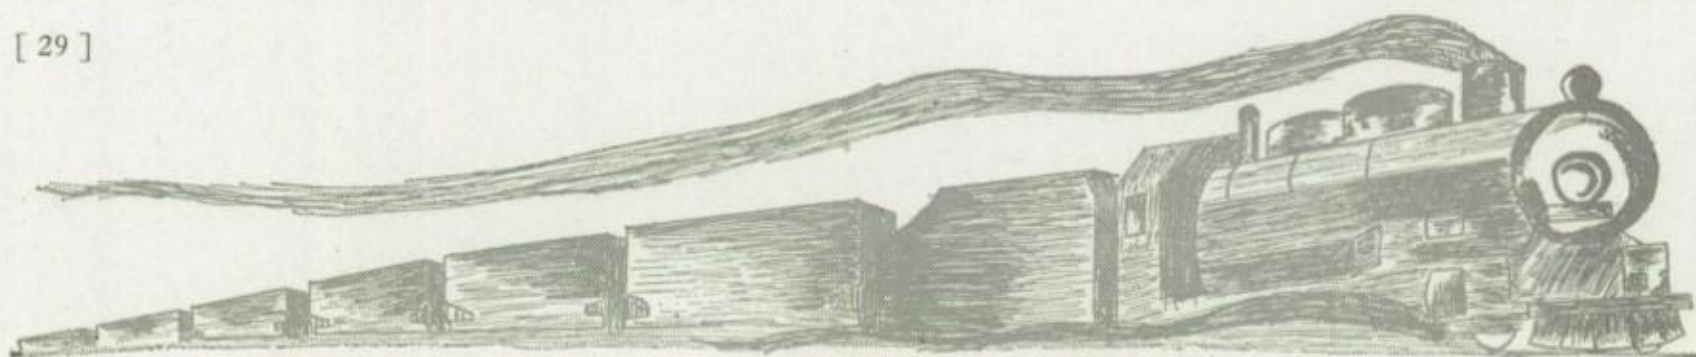

This Miss always gives one the impression of being a youngster. Despite the fact that she is usually quiet she still finds much time for fun. Her even disposition is sure to make a lasting and favorable impression on those whom she meets.

JOHN MAKSIM

A book reader he shall be,
As long as he can see.

John is a very jolly fellow. He is a true friend and is fond of reading. He was a member of the debating team and showed his ability for public speaking. He has a brilliant future.

THE CLAIRIAN

KATHLEEN MCGARRITY

When it comes to art,
She'll do her part.

Kathleen's fame to fortune is her art. She has served faithfully as art editor of the *Booster* and on *The Clairian* Staff. Someday we know her paintings will vie with Violet Oakley's. She is also an excellent student.

MARY MCGARRITY

Talking is her chief delight,
But she's studious, kind and true, all right.

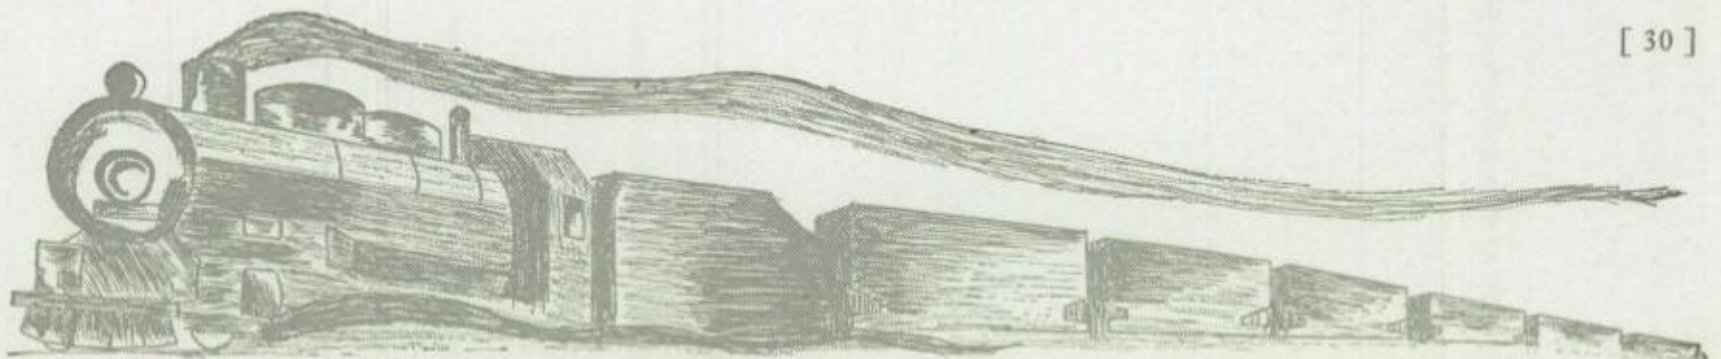

Mary is our valedictorian. She can tell you anything from figures of speech to Boyle's Law and is generally pestered for help. She is also a Math. shark and can juggle figures well. She blushes easily but has an ever-ready smile.

ROBERT PLUMMER

Fishing he goes all alone,
Amidst the water foam and groam

"Bob" walks the back streets so he doesn't meet any females who may be happening along. He likes to go fishing and declares a holiday the first day of the season. He is also a great forester and spends his leisure time in the woods. The scenes in this book are some of his favorite haunts.

THE CLAIRIAN

CHARLES MOZLOOM

As president of the Senior Class,
Charley has had many difficult tasks.

Good sport plus good sense plus a whole lot of friendliness equals Charles. His jolly good spirit spreads good-feeling wherever it goes. His excellent voice has been heard many times in operettas and on school programs. Besides all these, as president of the Senior class, Charles had led us safely to port. His business and managing ability have helped make this book a success.

JEAN MONAHAN

"Pale hands I loved—"
A delicate mist in the morning.

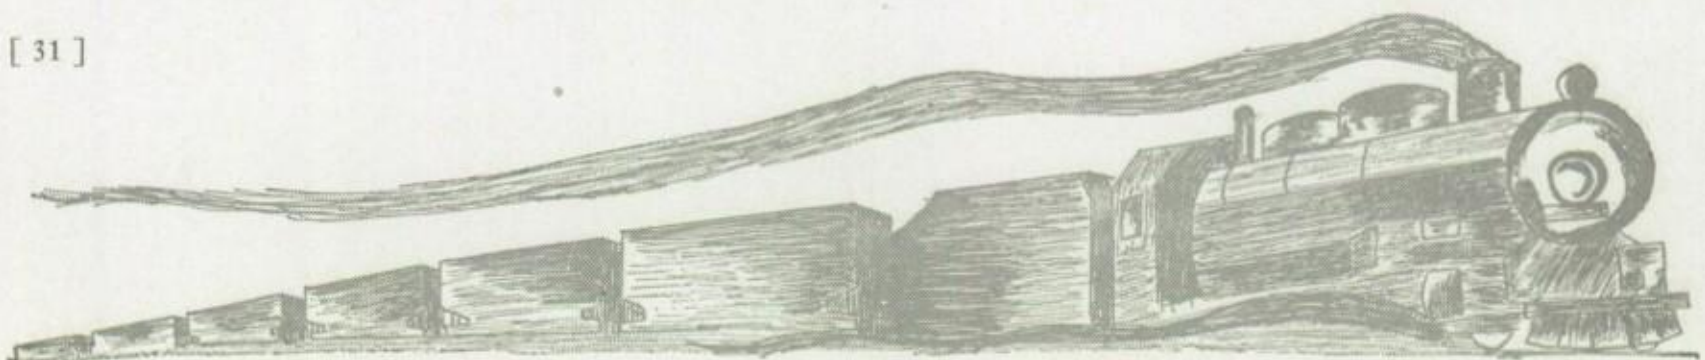

Jean is one of the fair members of our class. She is very active and is never happier than when she is swimming or dancing. She is very popular with both sexes and is a much sought after companion. She can dance the round of the clock with a certain curly black-haired man .

WALTER M. MORRIS—"SKINNER"

Upon him our school did confer
The honor and work of Editor.

Beneath this clam exterior lies a jolly good nature. The class has often been delighted with his wit and humor. He has a versatile nature, as can be concluded from the success he has reached in studies, oratory and as a musician. Whatever your future may be, Walter, you are assured of the best wishes of your classmates.

THE CLAIRIAN

FLORENCE POST—"BILLIE"

She's dignified, 'tis true,
She's a friend to not only a few.

"Billie," one of our petite members, is well liked by all who know her. She is of no mean ability, but has a careless, carefree attitude toward school. Perhaps from general observation we feel that "Just A Cottage Small By A Waterfall" and its domestic relations would be the ideal place for "Billie." What do you think?

JOSEPHINE PINGOR

To join her schoolmates in work and play,
With mind on work she goes her way,

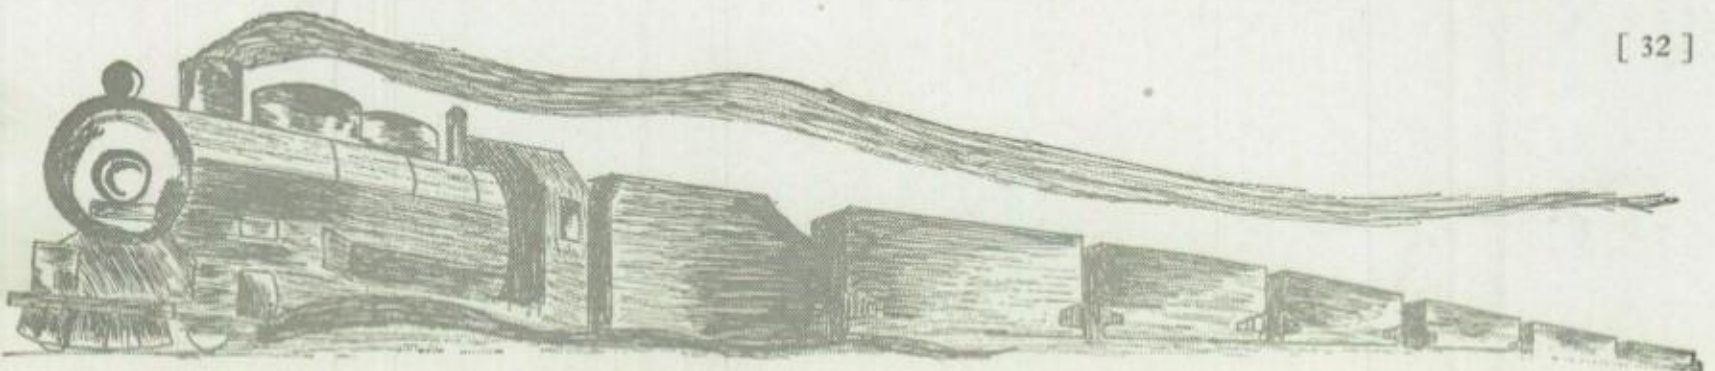

At a first glance we think of her as being most reticent and demure. But upon further acquaintance, we find her very friendly and a willing conversationalist. She gives attention to her studies, and we must not slight the attention given to her boy friend. We do not know definitely what "Joe" intends to do, but we are sure she will be a success in whatever she attempts.

THOMAS J. QUIGLEY—"SQUAW"

"Tom" is quite a lady's man, and he
Will never want girl friends, you'll see.

Thomas is an athlete, too. He has played football and basketball and has made good on both fields. He is a heartbreaker, because he has a ready smile for every girl. However, his weakness is a particular Senior blonde..

THE CLAIRIAN

IDA RUBRIGHT

Ida is lucky as she can be, as narrow as a pin,
She knows the great secret of — keeping thin.

Ida is unusually quiet but ever ready with an answer for any question asked her. We have never seen her hurry through her work, because she believes in the idea of doing a thing well. Her sincerity and thoroughness are very admirable qualities and for these she will long be remembered by her many friends and classmates.

MARY ELIZABETH RYAN — "Toss"

There's a saying, "Mary, quite contrary," that you'll find,
But this Mary isn't; she likes to be kind.

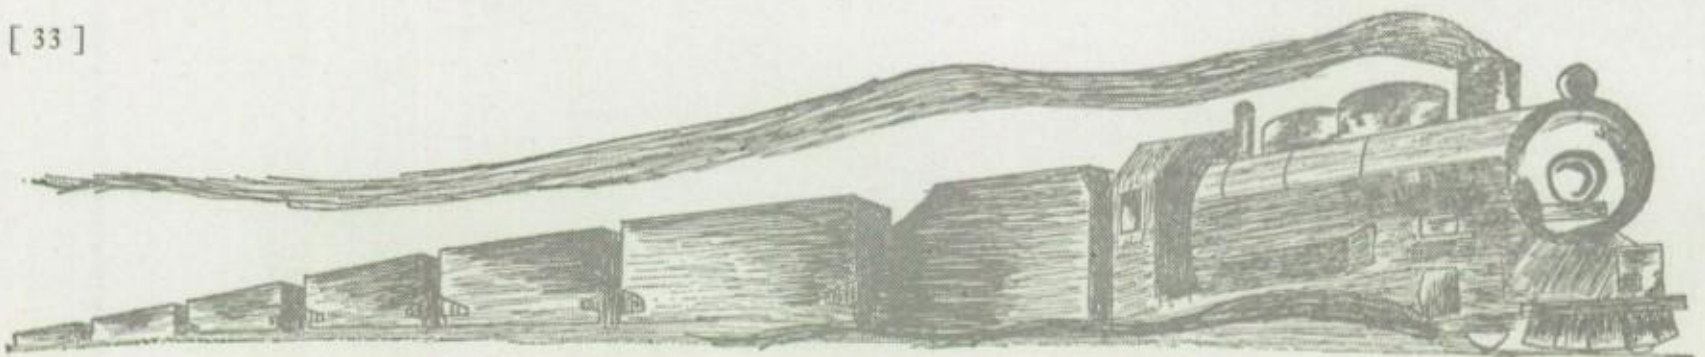

Darkwater sends us this fair lassie. Her greatest trouble is Geometry and her biggest joy is to find words for popular songs. In spite of the mischief that lurks in her eye, she has made a name for herself, in the class room. Her glorious crowning beauty is not the envy of Seniors alone.

JANET SCHUSTER

She dances and sings and frolics, the whole day through,
Her life is full of sunshine; you'll never find her blue.

This popular girl has been a leader ever since she entered our class. In basketball, she was an outstanding star, and usually won the title of high scorer. Her dancing ability is well known for she has favored us on many occasions in the numerous plays and operettas. A ready smile has been her gift to all who have come in contact with her, both in school and out.

THE CLAIRIAN

HARRY SUOWITZ

Harry is jolly, as you know, and gay as he can be,
And if it rains or if it snows, he's as busy as a bee.

Harry is fond of making suggestions. No doubt he reads a great deal for no matter what the question on hand, Harry always has a solution for it. He has an imaginative mind as well, and many short sketches and stories have come from his pen.

CATHERINE SINEY—"Cy"

"Cy" is a blue-eyed lass,
One of the fairest in our class.

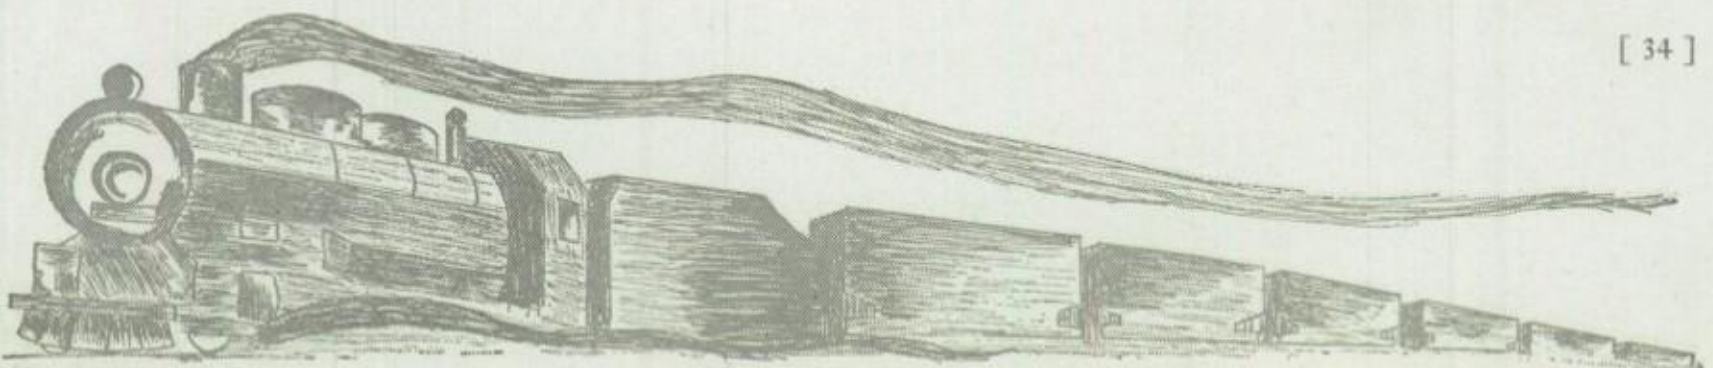

The most noticeable feature of Catherine is her lovely disposition. With a flash of her happy eyes, she immediately wins the hearts of those she meets. Basketball has been her pet hobby, and her fine spirit of team work is shown in the fact that she was elected captain of our County Championship Team.

ALBERT R. THOMAS

"A dry jest, sir. I have them at my fingers end."
—*Shakespeare.*

"Red" is the life of the class, always busy amusing others, if not by his excellent drawings, then by his extreme jokes. Someday we hope "Red" will be compensated for his efforts to take some of the dullness from school. Albert is also strong for football having been on the varsity the past two years.

THE CLAIRIAN

CHARLES SCHLOTTMAN —“DUTCHMAN”

There's mischief right around his eye,
But “Dutchman” wouldn't hurt a fly.

Charles is the “flying Dutchman.” He reminds us of the moth-eaten adage about still water for he's one of '32's silent partners. However, his say is worth while listening to. He is fond of reading short stories.

ANNA SCHUSTER —“ANN”

A pretty, red-haired miss is she
But never a temper do you see.

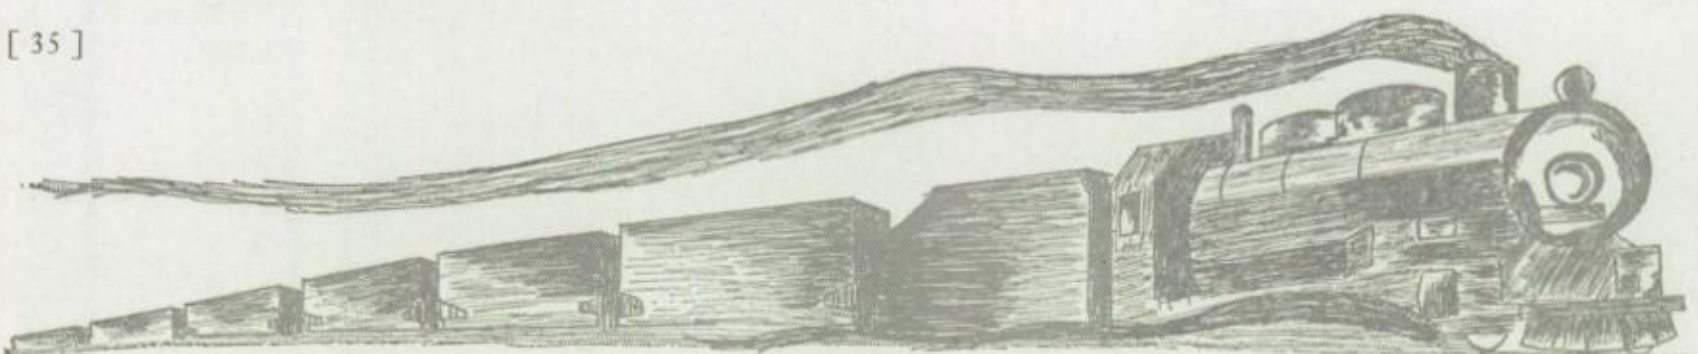

“Ann” is the exception to the rule. She hasn't a sign of a temper. We may list her under the number of quiet girls in our class. Her motto seems to be to sit back and listen until it is time to do her duty to her class. As a result of her even disposition, she has won her way into the hearts of all who know her.

ANNA SPOTTS

“Her bark is worse than her bite.”

Anna is one of the best ticket sellers in the Senior class and is always willing to act as an usher. Her manner is, “Hail, fellow well-met.” She is popular in outside activities as well as in school activities. She likes to dance.

THE CLAIRIAN

COMFORT STERNER — "CONNIE"

A diet she tried for years and years,
But no one she knows can confirm her fears.

When Comfort was a freshman we renamed her, "Connie," and she has answered to that name ever since. She is easily recognized by a giggle which very often takes the place of words for her. She has been one of our star basketball players, and many times the winning points have been scored to the echo of, "Connie."

MARK TWARDZIK

Look out, not in; look up, not down;
Look forward, not back, and you'll never frown.

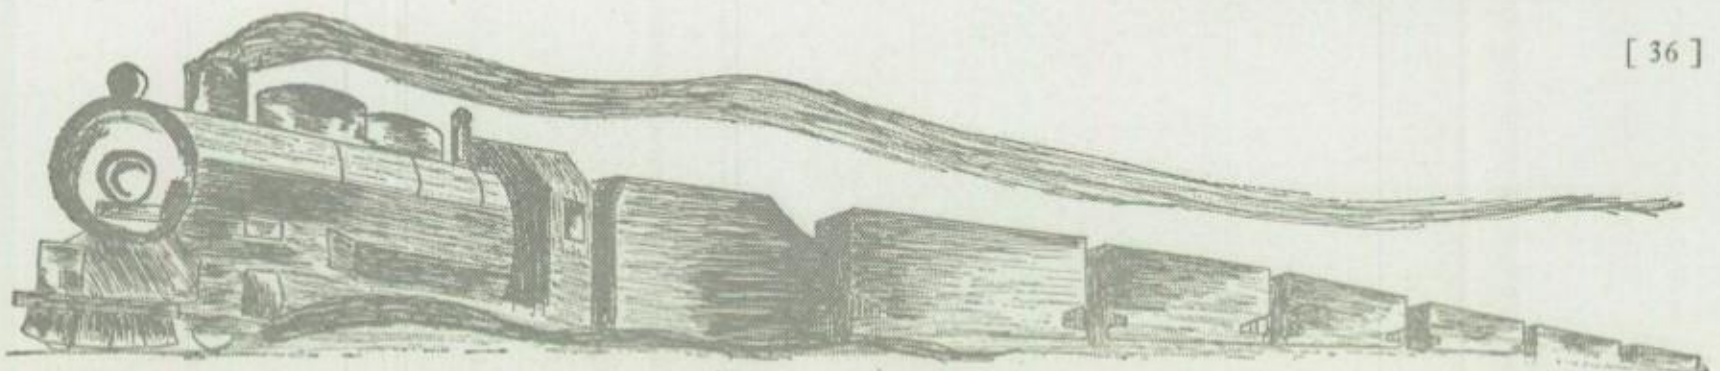

Mark tries to impress us that he doesn't like the fair sex, but we have noticed him riding a fair blonde here and there. He seems to enjoy farming lately and we suppose he will become a successful farmer someday.

HAZEL WHITFORD — "SAM"

She is tall and she is nice,
She gives to life a certain spice.

The giggle of this young lady is easily detected. She takes life just as she finds it and has never been known to complain if things have not gone her own way. For this great spirit of unselfishness she has won her way into the hearts of all the class. On the basketball team she has won a name for herself and future classes will long remember the fine team work of "Sam."

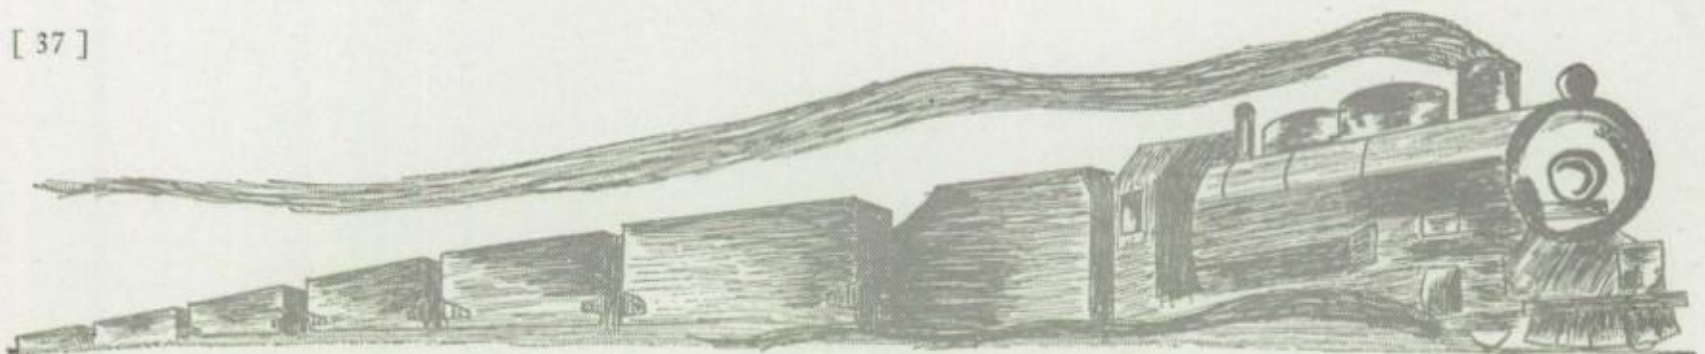

THE CLAIRIAN

MARTHA E. ZIMMERMAN — "PEPPY"

This little girl is full of pep,
"A star forward"—that's her "rep."

Martha is very versatile, and specializes in basketball. She is popular inside and outside of school, always having a wise-crack ready for everyone. A jollier girl couldn't be found. Gentlemen aren't the only ones who prefer blondes — so does "Peppy."

THE CLAIRIAN

Senior Class History

In the fall of 1928 there entered the Saint Clair High School, a class of one hundred and thirty meek and verdant Freshmen. After becoming accustomed to the rules and regulations, we settled down to the peaceful routine of high school life. The most exciting event of the year was the first class meeting, at which the following officers were elected: John Monahan, president; James Evans, vice-president; Walter Morris, treasurer; Gertrude Brennan, secretary. There were also mid-term exams, a party and a hike. June came and with it passed the first milestone in our pursuit of knowledge. We now found ourselves on the brink of our Sophomore year.

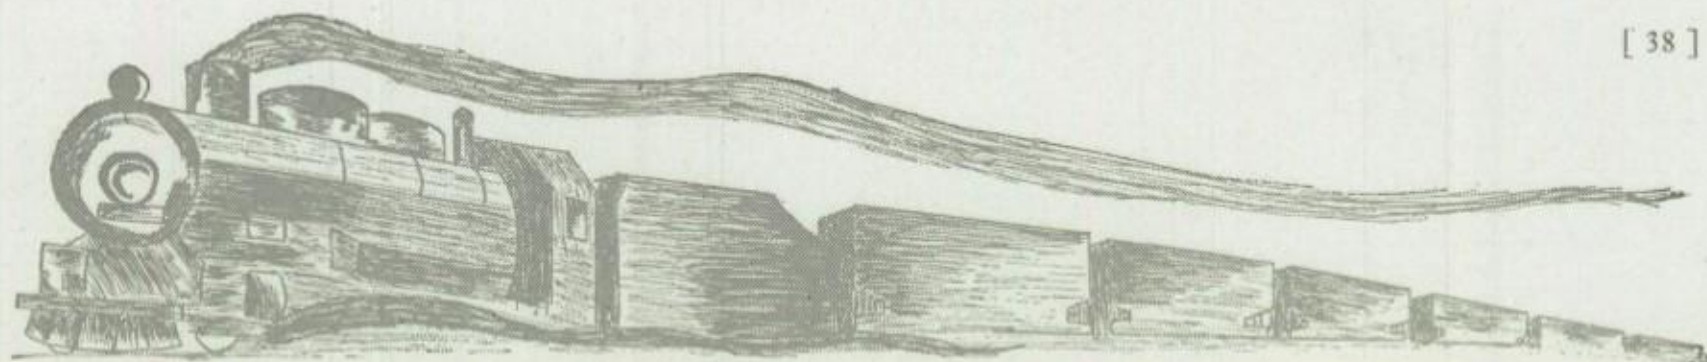

Sophomore! The word assured us of having passed in our first year. As Sophs, we were orderly and obedient to our teachers and classmates. At the first class meeting we elected the following officers: Gertrude Brennan, president; Mary Ryan, vice-president; Florence Post, treasurer; Janet Schuster, secretary. We applied ourselves to our studies with much zeal and enthusiasm. Mid-terms came and all passed with flying colors, however, not including Algebra. Later, there was a class party. June again and we bid farewell to our career as Sophomores, anxiously awaiting the arrival of our Junior year.

Juniors! Back to the old grind which was now familiar to us. Being energetic students, we were soon organized and the following were chosen as our officers: Gertrude Brennan, president; Edward Corcoran, vice-president; Jean Monahan, treasurer; Leonard Balsis, secretary. Mr. Bodenhorn suggested that we give some consideration to the problem of raising the necessary fund for our Washington trip. This suggestion we readily took to heart. We were also active in athletics, especially the Junior girls, who formed the nucleus of the basketball team which won the county championship for the first time in the history of our school. As customary, the Junior Prom was the outstanding social event of the year. With three years of knowledge behind us, we eagerly looked forward to our last year in Saint Clair High School.

Seniors! And importance personified! The inevitable class meeting took place and we elected as our officers: Charles Mozloom, president; Walter Morris, vice-president; Edward Filanoskie, secretary; Edward Gehring, treasurer. In the short year remaining to us, we were determined to uphold the faithful standard of our class and took advantage of all available educational opportunities. Much attention was centered upon our two operettas, the *Booster* and *The Clairian*.

At last, Commencement, the culmination of our high school career. A day never to be forgotten; We sincerely hope that through the success of its members, the class of '32 may always live in the memory of our high school.

And now, dear Seniors,
A lonely tear gently brush aside;
For the Senior year, alas, has died.

Senior Class Song

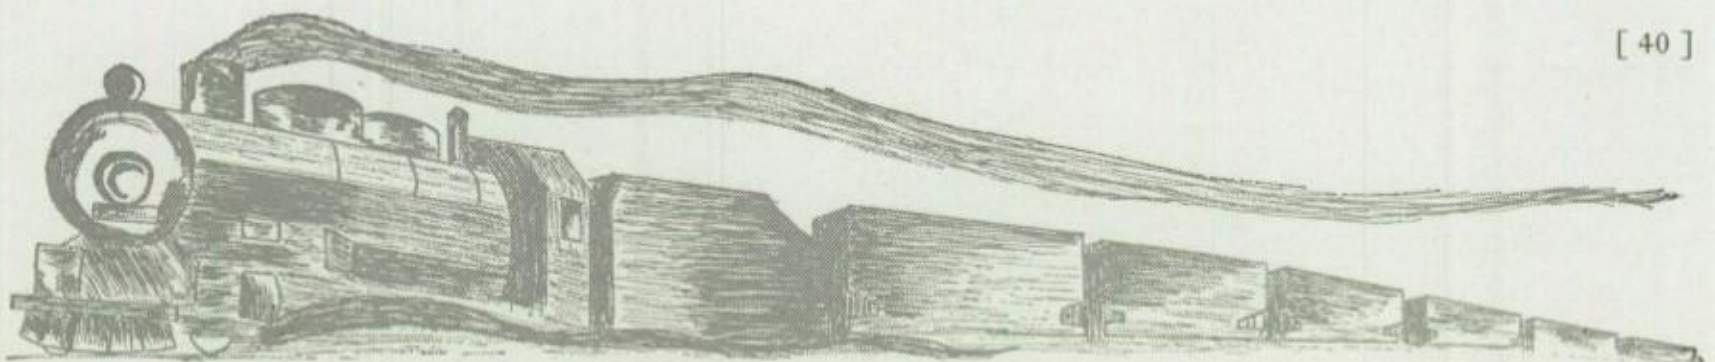

Tune: Star Dust

Words by Senior Music Class

Now the time has come when we must part,
Taking with us memories of the heart,
Gold and white, our colors, watch o'er us still,
As we view the daisy on the far off hill.
And as we wander down the path of life,
Each one with a goal for which to strive,
We have shared our joys and all of our trials,
And always will as years go by.

Chorus:

And now the time has come to bid good-bye to you, dear old
Saint Clair High,
From twenty-eight till nineteen thirty-two,
Your halls of learning we have loved.
Dear old red and blue, symbol of our Alma Mater.
And we will always strive to keep our memories of you.
And as we look ahead for future years to come,
We'll strive to do our best,
To always keep our chosen motto true,
That in small things there's work to do,
Deep in every heart there will always be a part,
The class of thirty-two bids fond farewell, farewell to you.

Junior Class History

The present Junior class entered the noble halls of Saint Clair High School with the aim, "to act that each tomorrow, finds us farther than today."

During our Freshmen and Sophomore days, life was not a bed of roses, yet many joys came to us. Our class interested itself in promoting scholarly activity. It is with pride that we point to our achievements in athletics, the success of our social functions, and our scholastic attainment. The football monogram was carried by eight of our Juniors. Basketball, too, gave to four of our classmates the much cherished letter. In social undertakings all turned out successfully, which could only be expected when keen, live-wire, young men and women steered the Social Ship. As scholars, the Juniors command no little notice. We are well represented on the honor roll, Booster Staff, and some have even received recognition on *The Clairian* Staff.

Though our hearts be stout and brave, we are really a conscientious class of Juniors, eager to don the dignity of Seniors without forgetting to enjoy our school and our work.

THE CLAIRIAN

Sophomore Class History

On September eighth, nineteen hundred and thirty, one hundred and fifty-six pupils, ranging from the lightweight Mary Evans to the heavyweight Willard Verbitsky, entered Saint Clair High School.

They showed spirit, wit, wisdom and dignity from the beginning and they cooperated willingly in all undertakings and social functions under the leadership of Charles Udit, president; Vincent Struzinsky, vice-president; Elmer Brady, secretary; and William Mooney, treasurer.

The class has been represented on the honor roll, in the Glee Club, and in the assembly programs. In art, the Sophomores excelled, the first prize for the senior high schools entering the Health Poster Contest at Pottsville last year, was won by Frank Matouka and third prize was won by Mary Malia. In athletics, the class name was most ably defended. Some of its members were represented on the varsity teams. Mary Malia, Rose Kilpatrick, Anna Pomian and Frances Weaver helped to win our basketball pennant.

We are certain that our present Sophomore class represents a student body gifted in many ways, who are anticipating even greater success when we are Juniors.

CLASSMATES

When folks have lived together
As we have—
And shared each other's joys and sorrows
The good and bad—
Exchanging thoughts and ideals
Loves and hates
As we have—
The filmy mist of years
Cannot separate
Nor the unkind paths of distance
Lose us
Following stars of such remembrances
As we have.

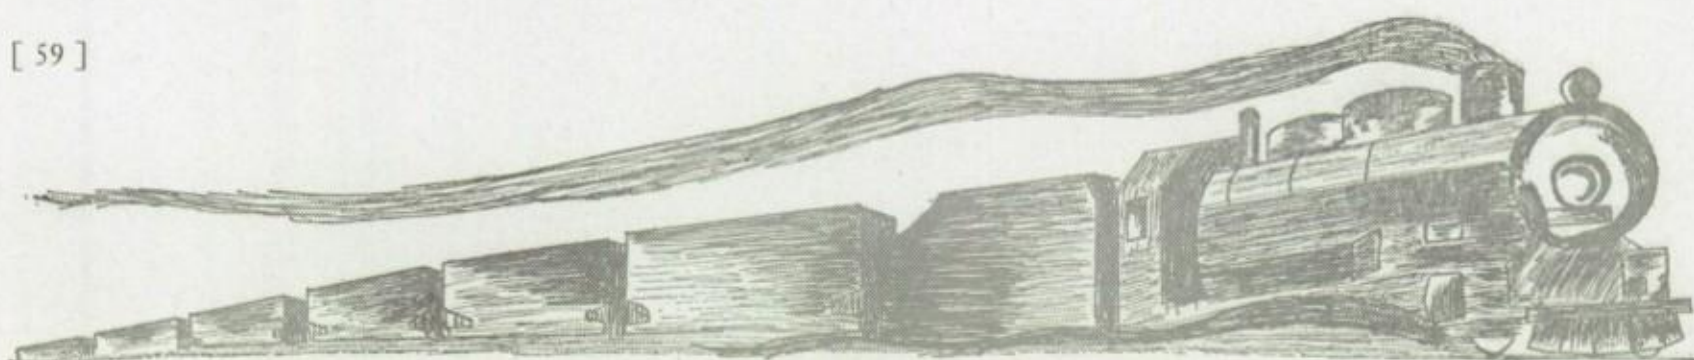

THE CLAIRIAN

Freshmen Class History

The class of 1935 entered the Saint Clair High School with a membership of one hundred and eighty-two students, the largest Freshman class in the history of the school. We entered with high hopes and aspirations of making this a bigger place for our posterity. This worthy ambition was soon smothered by the treatment of upper-classmen. We were taught to follow, "as meek as lambs," in the footsteps of the other classes.

We acquired representation in the many activities of the school. Basketball and football, especially, were conquered by some of our heroic classmen. To better show what to expect from the Freshmen in the future, we entered the intermural league of the high school and gained much recognition for ourselves by defeating the Sophomore and Junior representatives. Next year we are planning to conquer the many fields of activity which will be open to us as Sophomores.

Frosh Froth

F is for Freshies who are very green,
They never are heard but always are seen (?)

R is for Ready; me thinks that they are
Right on the spot to hold doors ajar.

E is for Ears—they don't miss a thing,
When the chapel bell rings they all come to sing.

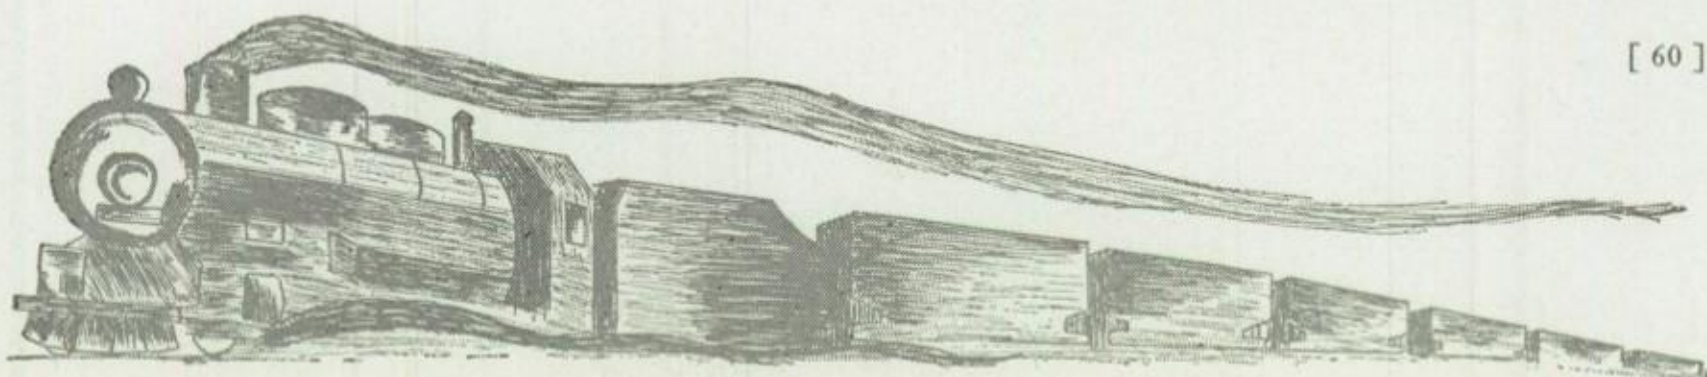

S is for Silly, no one this can doubt,
They giggle and laugh, but never do pout.

H is for Honest, for they do their share,
Do all that they're told and don't put on airs (?)

M is for Mate; they belong to the crew,
And they are of interest because they are new.

E is for Each and Every Frosh here,
We hope that they all come back next year.

N is for Nuisance, for all children are such,
But still we love them, we can't say how much.

SENIOR CLASS HIKE

The Senior class held their hike on Friday evening, September 18. The route chosen was to Agricultural Park, going by way of Port Carbon and returning home by the way of East Mines. All who attended had a very enjoyable time and many interesting events took place which will be remembered by those who went along.

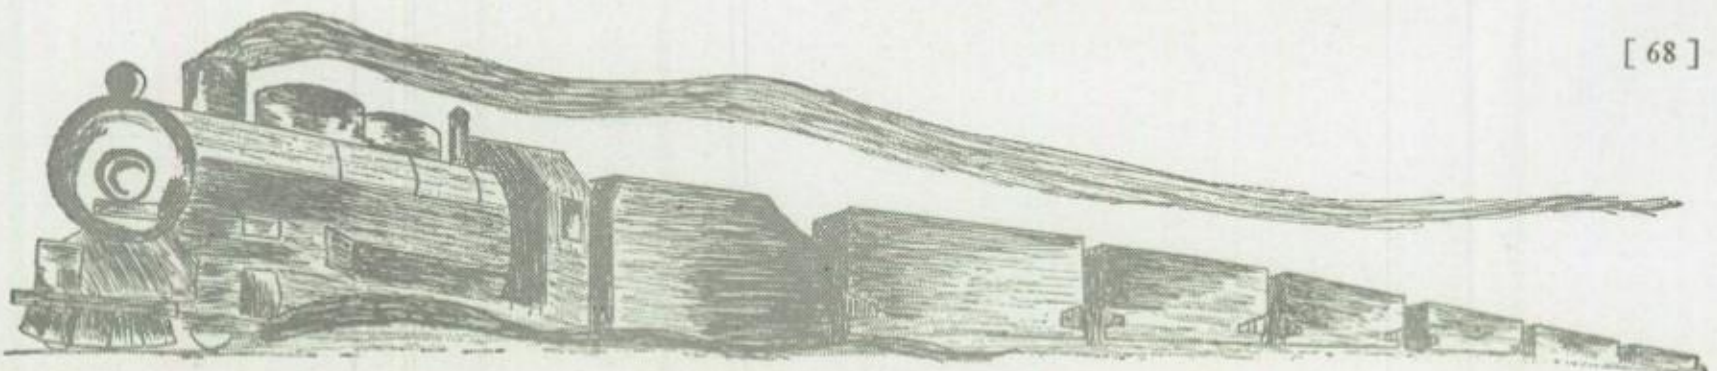

JUNIOR CLASS HIKE

On Wednesday, October 7th, the Juniors hiked to Dark Alley where they enjoyed a delightful doggie roast. There were a number of Freshmen and Sophomores along and all helped to make the affair one upon which they could look back with fond memories.

SOPHOMORE PARTY

Not to be outdone by the other classes, the Sophomores held a party on the evening of October 9th. The guests assembled in the auditorium where an interesting program had been arranged by several of the talented members of the class. Several of the teachers were in attendance and everybody had a pleasant time. At a reasonable hour refreshments were served, after which the students departed, but not before giving a vote of thanks to the class for such a nice time.

THE CLAIRIAN

JUNIOR PROM

The annual Junior Prom was held on Thanksgiving evening in Boone's Hall. This dance is one of the traditions in the school, and every year a large number of students and graduates attend. The class of 1933, eager to have everybody satisfied, engaged Gene Vrabel's orchestra to play. The girls in their colorful dresses made the hall seem like a painted picture, and many compliments were paid the class for their very successful dance.

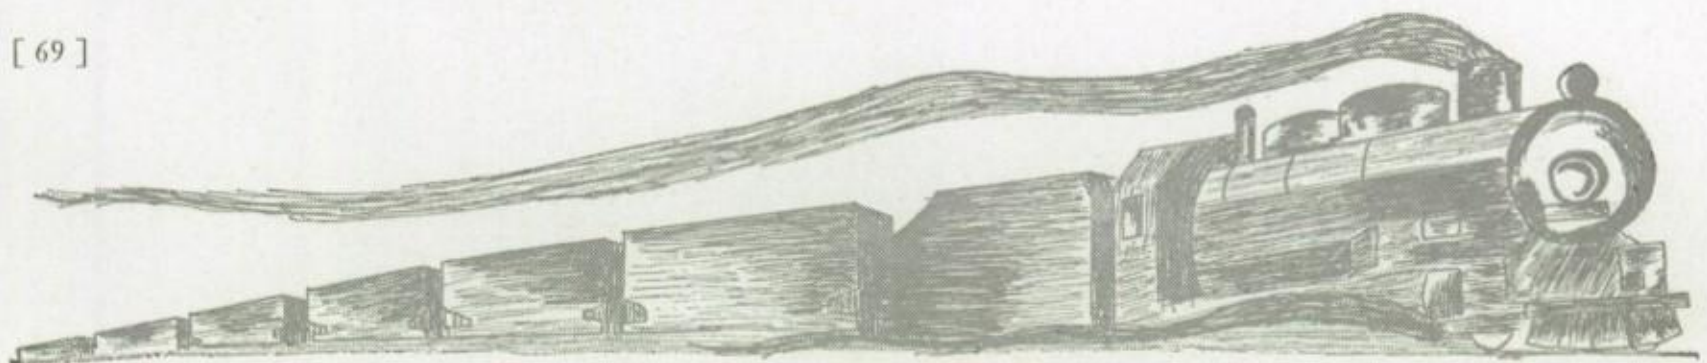

ALUMNI DANCE

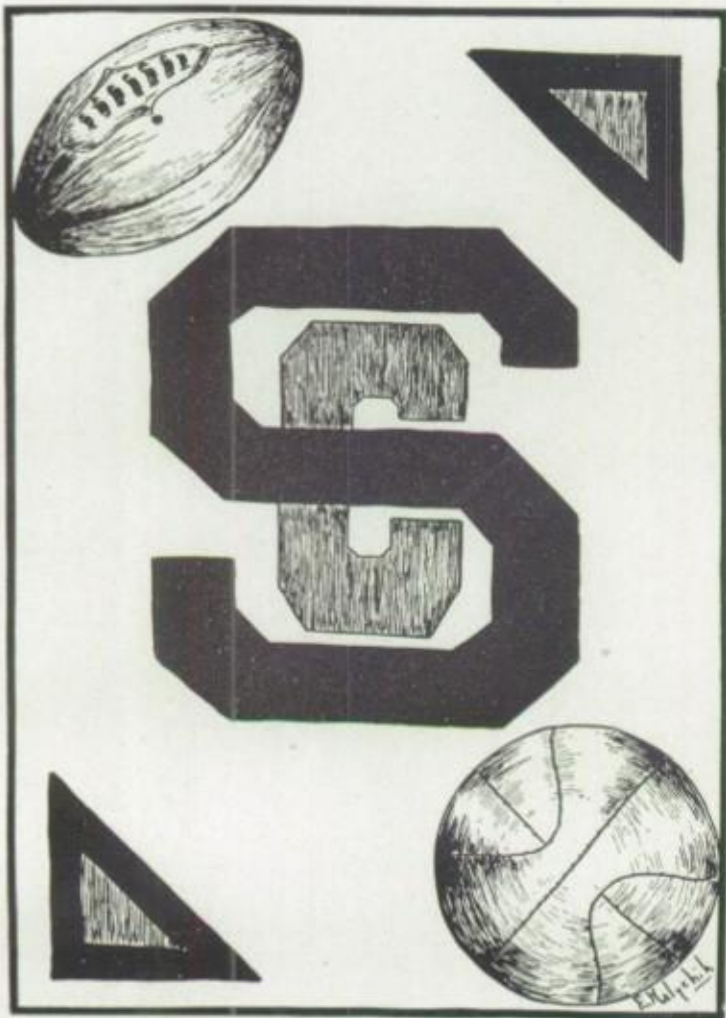

The first annual dance of the Saint Clair High School Alumni was held in Boone's Hall on December 29. The affair was informal, and Gene Vrabel afforded the music which lasted from eight to twelve. The dance was under the auspices of the Athletic Association, and many of the former students of the school returned to make the affair the delightful success that it was.

SENIOR FROLIC

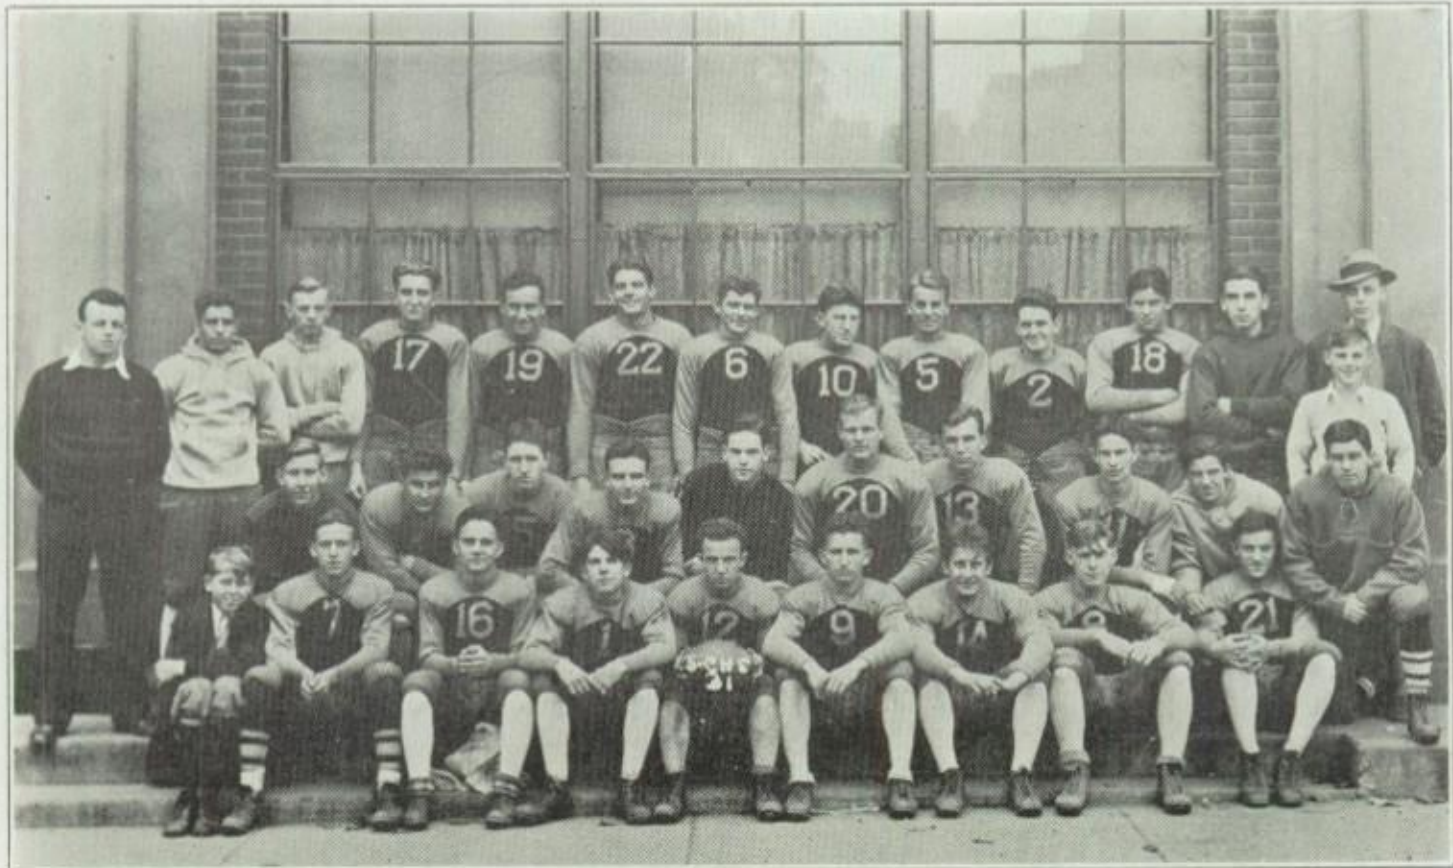

The Seniors, feeling the need of some diversion, held a Frolic in Boone's Hall on the evening of February 9, 1932. It was an informal affair boasting several novelty dances and a number of vocal selections by the talented music students. A number of games were enjoyed after which refreshments were served. It is expected that future senior classes will sponsor such affairs.

Football

As we review the 1931 football season, we find the usual run of surprises, thrills and failures. The team as a whole functioned quite well and several individuals proved very adept at their particular positions. With a fair amount of talent from the preceding year the season looked very promising, and no doubt would have been a huge success but for several unwarranted factors interfering with achievement. However, our season deserves mention!

At Shenandoah, we confronted a "State Title" contender and after a scoreless first half were forced to bow because of their mightier reserve strength. Dresch, Balsis, the Chylacks, and their pals all stood the acid test.

Pottsville was tied 6-6. "Dance" Monahan, Dresch, Zubritsky and O'Brien did well. This was a real "victory" for our team!

Lansford defeated us 12-7 in a thrilling encounter at Lansford. They had a fast club, but we feel that "bad breaks" gave them the game. Zubritsky scored with an 80 yard run-back of an intercepted fumble. Kaminsky and Bartholomew displayed good work!

Blythe Township was handed a 6-0 defeat; the first one Saint Clair ever gave them, so joy reigned among us. There was no doubt about the outcome of this game as our line tore every Blythe threat to pieces. Dresch scored after a steady march.

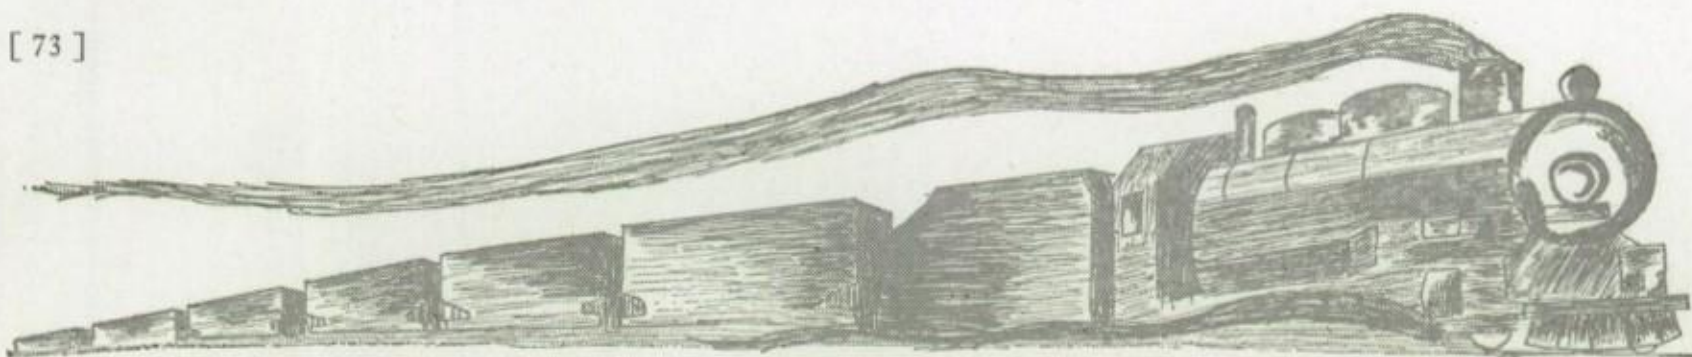

Cass and Gilberton were both easily defeated through the efforts of all our proven ones, and new satellites such as Sofilka, Wokulish and Bulino.

Two Nemesis cropped up in Girardville and Pine Grove. In a listless and disgusting exhibition we failed to break a 0-0 score at Girardville, although continuously threatening. However, at Pine Grove, we succumbed to a last minute score, after running through a futile first-half wildness. This 6-0 setback was just another weird promotion of an event classed as a football game!

The climax to our foreign invasion was reached at Porter Township, where after holding a 6-0 lead it was found advisable to withdraw the club from the playing field because of obvious reasons. The 1-0 forfeit which we automatically were destined to suffer, did not halt us in our decision.

Thus with the weight of a "heavy" season, the toll of injury and a long epidemic of boils we entered the annual Alumni game. The graduates had a good club and 0-0 tie satisfied all onlookers. Harry and Nestor Chylack, Eddie Gehring, Red Thomas, Hecker Balsis, Charlie Dresch, Tom Quigley and Bob Krebs thus saw their last Saint Clair High School season pass away.

The squad had odds to overcome, but most all stood bravely by. The line and backs all gleaned the necessary experience and reputation to inspire them to greater deeds next season. Our schedule will include some important and desirable encounters, but we feel that our man-power will prove itself able to keep our banner flying triumphantly in the season's breeze.

Boys' Basketball

For the second successive year our basketball team finished high in the Schuylkill County Interscholastic League standing but failed to reach the top. In consideration of the number of games won the season was a success, but all concerned feel that record belies the potentialities of the team. Undoubtedly, with any increase in effort and attitude, the team could have risen to much greater heights.

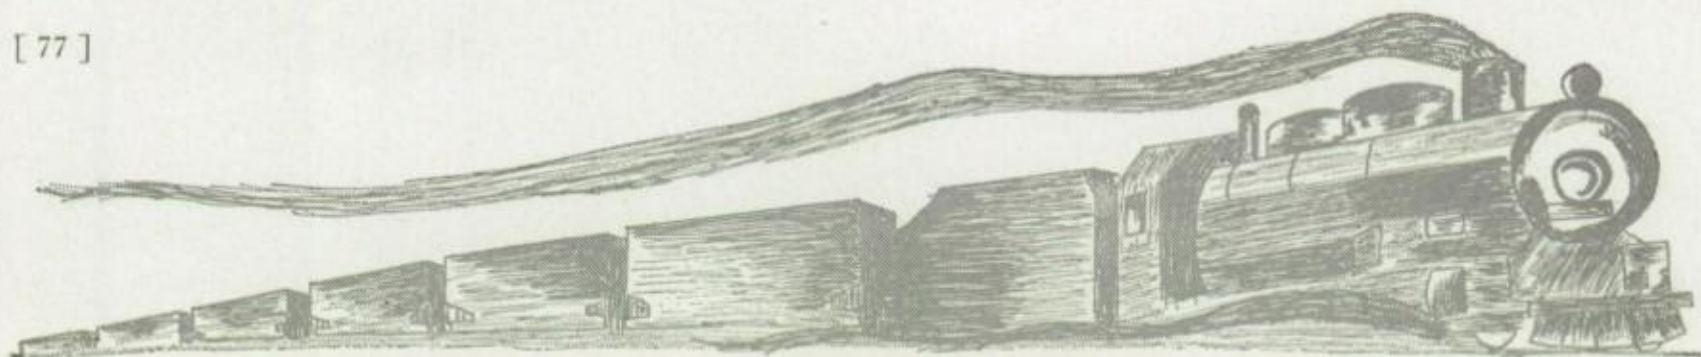

The team performed capably in the early part of the season, but when the fervor of early enthusiasm died down a result was directly noted in club and subsequent games.

"Primo" Russavage was the high scorer and spark-plug of the club, with Monahan and O'Brien performing capably at the guard post. Dresch saw most service at a forward post while Captain Chylack divided his time at forward and guard. Quigley also performed at forward although Sharockman, Schmeltzer, Stefanick and Rhodes saw enough service to steel them for next year's campaign. As has been stated, Russavage was the steadiest performer, but Dresch, Monahan, O'Brien, and Chylack all had good games to their credit. With the nucleus left from this year's varsity and including all but Dresch, Chylack and Quigley, a good season should result next year. The school also enrolls some additional talent that has been playing good independent ball this year, but should by all means pledge itself to the betterment of the High School Club of next season.

This season's achievements and its disappointments should show just what can be done and what prevents it from being done. Individuality must be forgotten for the good of the team and the individuals concerned. Without cooperation both physical and spiritual, any aspirant to athletics is an unwelcome package. Therefore, let us unselfishly look forward to a new season, a new attitude, and a new record!

Girls' Basketball

When the call was issued for candidates for girls' basketball, forty girls reported, among them eight wearing the letter of the year before, seven Seniors and one Junior. Prospects of repeating the record of the 1930-31 season were very bright. About thirty Sophomores and Freshmen made their appearance at practice and learned the rules and principles of the game, while several of them gained actual experience in home games. In fact, a well experienced team was put into the hands of the competent coach, Miss Ray, who for four years had been working with these same girls, night after night, and who had guided them through a glorious banner-winning season the year before.

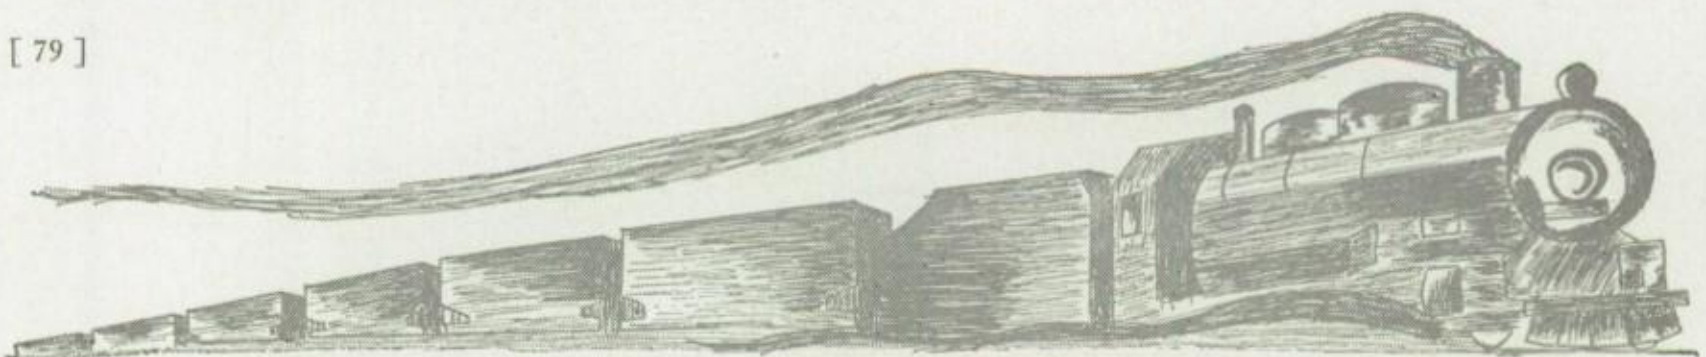

The first few games of the season were uneventful. The girls, displaying the exact brand of basketball that had proved such a success before, easily defeated all with whom they came in contact. Large scores were the result of the games until the girls, feeling that they could do something bigger, sought games with schools out of their class. They were soon rewarded by the appearance of the names of Allentown and Tamaqua upon their schedule. The Red and Blue girls practiced diligently for the game with Allentown and were in high spirits, but these spirits were somewhat dampened by the two defeats handed them by this school.

The girls soon recovered from these setbacks, however, and proved their skill and prowess by defeating the other school, Tamaqua, in two hard-fought games. The score of the first game was 27-10 at Saint Clair, while the final result of the other game played at Tamaqua, was 16-6. This second game proved to be a harder one than the score indicates as the half ended 4-3 in favor of the home team. Everything seemed to be against the visiting group as they were handicapped by lack of players and had a large playing floor with which to contend. However, they came back in the second half with a new supply of energy and determination to win, and outplayed their opponents 13-2.

The results of the remaining games established the girls firmly in the win-column and the right to play the winners of the Southern Division of the League for the Girls' Championship was their hard earned reward.

This opportunity came to them on March 14, when they met the Maroon and White Lassies of Cass Township at Port Carbon. Cass entered the game with a widespread reputation and many were the convictions that they were going to stop the winning streak of the Saint Clair girls, who, up to this time though not generally known, were carrying the record of being undefeated in the county for two years. The teamwork of the Red and Blues was unexcelled. To the finish the girls played the game which won for them two straight championships in their League. Cass could do very little against Saint Clair's strong defensive team and when the final whistle blew were lagging behind a 30-4 score in favor of Saint Clair.

This game was the grand finale to a brilliant basketball career for Schuster, Zimmerman, Whitford, Immekeppel, Delker, Siney and Sterner. May they continue playing the game and ever winning over natural setbacks and defeats.

Give ear to me and tell me THEN—
How soon the time is coming WHEN?

High School has dances once a week,
No one feels the need of sleep;
Seniors are excused from gym,
Because they are always just in trim;
Boys cut classes as they please,
The "main-roomers" do not freeze;
Girls get S's without points,
Gym does not affect the joints;
Getting there on time is not required,
Our good clocks have been retired;
After the circus has been near town,
Making up time won't cause a frown.

FINIS

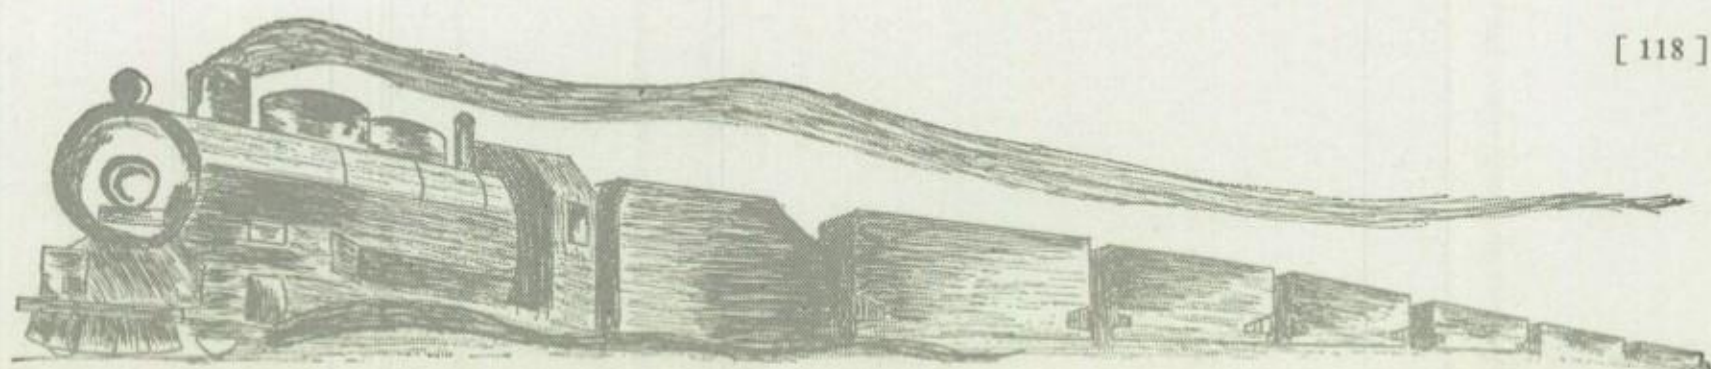

We have endeavored to present to the school a year book. This is our first attempt to make a book and we hope you have liked it. Each member has cooperated to make it truly representative of our school life. We want to express our appreciation to everyone and, especially, our teachers, who have so willingly and unceasingly given their attention and advice to make it really worth while.
